THE BEST PROOF

Given by a Chickasha Citizen.
Doan's Kidney Pills were used—
they brought benefit.

The story was told to Chickasha residents.
Time has strengthened the evidence.
Has proven the result lasting.
The testimony is home testimony—
The proof convincing.
It can be investigated by Chickasha residents.

Mrs. A. Haight, 126 South Eleventh street, Chickasha, says: "Several of the family have used Doan's Kidney Pills for disordered kidneys, and they have had great relief. I have used them myself with satisfactory results. Kidney sufferers will find in Doan's Kidney Pills a reliable medicine."

Doan's Made a Cure.
More than three years later Mrs. Haight said: Doan's Kidney Pills made a cure for both me and another in the family. The cure have been permanent.

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mrs. Haight has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. 2nd & 1st

SHORT STORIES OF THE TOWN

Twin Girls Born.

Born to Mr. and Mrs. Harry Blankenship, at 827 Oklahoma avenue, twin girls, at the hour of 11:20 last night. At 2:30 the Grim Reaper claimed the youngest. Mother and other baby are reported doing nicely.

Attractive Display.

One of the most attractive of the many attractive display windows in Chickasha is that of the Chalfant Hardware company on Chickasha avenue. The display shows a full line of standard cutlery, knives, scissors, shears, etc., while the entire lot is presided over and seemingly guarded by a monster four blade knife, the possession of which would gladden the heart of any Young America in the land. This knife, with almost human intelligence, opens and closes its blades, one after the other, with a regularity which would make the fother methodical turn green with envy. The Chalfant Hardware company will be ready to throw its doors open to all customers within a short time.

Successful County Fair is Closed

try journals and books, but which he did not think were to be found in this section of the country, were on hand.

Practically every breed of chicken known to the poultry fancier was entered and all, even those not pulling down prizes, were exceptionally fine.

Textile Department.

Misses Cecile Kirpatrick of the Chickasha high school, and Anna Banks of the Oklahoma College for Women, acted as judges in the awards given the displays in the textile hall. Mrs. Johns, under whose supervision this display was made a success, states that she will have the list of awards tabulated and ready for the public tomorrow.

In the fine arts exhibit, Miss Wilson of the Oklahoma College for Women acted as judge. The first prize was awarded to Mrs. James Hill on an oil painting.

Ferguson Praises Boys.

F. E. Ferguson, district agricultural agent, who awarded the prizes to the corn club Young Americans, praised the boys and girls of Grady county in their efforts for supremacy in a better agriculture and in the manner in which they had surpassed the efforts of their fathers in raising prize winning corn and cotton. Mr. Ferguson remarked that the Grady county boys and girls were wonders when they started in to win.

Fair Notes.

Like Hehn of Chickasha is probably the leader in premiums won in the hog line.

Sixty-six varieties of chickens were shown in the poultry pens.

C. L. Crawford of the Murray school at Tishomingo, judged the live stock entries of both the fathers and the boys.

First prize for corn in the young folks' clubs was pulled down by a Grady county girl.

The rain put the finishing touches to things and added an air of dejection to the personal appearance of all alike. The successful exhibitor and the "hot dog" man all looked alike today—sad and despondent.

DEATH NEAR AMBER.

Mrs. S. M. Daniels, aged 83, died at her home, south of Amber, Sunday evening. The funeral services were held Monday afternoon, Rev. G. T. Bailey of Chickasha, officiating.

Pimples and Skin Eruptions Danger Signs of Bad Blood

It May Mean Eczema, Scrofula—The First Sign of Inherited Blood Disease

Pimples, scaly itching skin, rashes, burning sensations and Scrofula denote with infallible certainty a debilitated, weakened and impure state of the blood. The trouble may have been in your blood from birth, but no matter how you were infected, you must treat it through the blood. It is a blood disease. You must use S. S. S., the standard blood tonic for 50 years, if you expect certain relief. For purifying the system, nothing is equal to it. The action of S. S. S. is to cleanse the blood. It soaks through the system direct to the seat of the trouble—acting as an antidote to neutralize the blood poisons. It revitalizes the red blood corpuscles, increases the flow so that the blood can properly perform its physical work. The dull sluggish feeling leaves you—the complexion clears up. Even long standing cases respond promptly. But you must take S. S. S. Drugs and substitutes won't do. Get S. S. S. from your druggist. If yours is a special case and you need expert advice, write to S. S. S. Co., Atlanta, Ga.

Trend of Trading Yesterday.

Chicago, Sept. 21.—Perfect weather for threshing today in the spring crop belt turned the whole market here down grade. Besides advices were at hand that country shipments to Minneapolis had grown in volume. At first, however, prices displayed a little firmness, owing to a large decrease in the European visible supply, especially the British stock. The opening was followed by a slight general advance and then a decided setback all around.

Corn weakened with wheat. Frost reports had but little effect on prices. After opening 3/4c lower to 1-8c advance the market steadied well under last night's level.

HEALTH AND HAPPINESS DEPEND UPON YOUR LIVER.

That sluggish liver with its sluggish flow of bile is what makes the world look so dark at times. Dr. King's New Life Pills go straight to the root of the difficulty by waking up the action of the liver and increasing the bile. Dr. King's New Life Pills cause the bowels to act more freely and drive away those "moody days." 25c a bottle. Adv. d&w

Divorce Docket is Lightest in Years

Twenty-two cases find a place on the docket of the October term of the district court. This is the fewest number of "marriage severance" cases which have been docketed in the courts of Grady county in years, probably in the history of the county, according to advices given out in court house circles.

Of the twenty-two cases docketed one has already been disposed of, that of J. D. Moore vs. Tishie Moore, where in a decree was recently granted by the court chambers.

A Hint to the Wise is Sufficient.

No one can reasonably hope for good health when his bowels are constipated. Take Chamberlain's Tablets and get relief. They are easy to take and pleasant in effect. Obtainable everywhere. Adv. d&w

GIVES THE EDITOR THE PRAISE.

"We want the right man to have the credit for his display," said J. E. Shelton, secretary of the Tuttle fair, and T. J. Brown, chairman of the Tuttle fair board and a director in the county fair association. "Tuttle town ship walks off with the first prize and we want everyone to know that the hard and tireless and systematic work of Editor G. L. Hamrick of the Tuttle Times, has been the means of making such a happening possible."

NINNEKAH ITEMS.

D. B. Jones went to Oklahoma City Wednesday.

Willie B. Pounds was given a party in honor of his birthday Saturday.

Born to Mr. and Mrs. Ed Long, September 11, a 11 pound son.

Rev. Lee Rector filled his regular monthly appointment at the Baptist church Sunday.

Mr. and Mrs. John Thompson of Amber spent Sunday with his brother, "Uncle Bob" of this place.

Scott Guthridge died at his home in Chickasha September 16. He was a pioneer settler of this part of the county and many of his old friends and neighbors here mourn his passing.

Baby Hoover and Max Lentz represented Ninneka at the baby contest at the county fair.

Jake Mutz and E. H. Erl made a business trip to Chickasha Monday.

The Ninneka school dismissed Wednesday so all could have a chance to attend the county fair.

At the close of the second week of school the enrollment was 243. The school board had to put on the sixth wagon.

Room six had charge of the exercises at assembly Wednesday morning and a very good program was given.

The first and second primary rooms had games and plays on the play grounds Friday forenoon. This is something new in Ninneka schools and the teachers hope to make this a permanent feature of their school work.

Wm. J. Hoover, who has been with his threshing crew near Minco came home Friday to spend a week with his family. He has about three more weeks threshing before he is done up there.

Mrs. R. A. Thompson's sister, Mrs. J. E. Gaston, from Berna, Miss., and Mrs. J. P. Thompson of Amber, have been visiting her the past week. They will leave Ninneka Friday for Chillicothe, Tex., where the other members expect to be, and enjoy a family reunion. They expect to meet the first time in over thirty years, the younger one being over fifty years old.

Mr. and Mrs. Bert Jackson, former teachers of Ninneka, were visiting friends here Sunday.

Mr. Davenport, who has been in the Chickasha hospital the past two weeks, was brought home last night. He is reported to be resting well.

Mrs. Finkley of Boise, Idaho, was visiting the R. P. Thompson home Sunday.

None Equal to Chamberlain's.

"I have tried most all of the cough cures and find that there is none that equals Chamberlain's Cough Remedy. It has never failed to give me prompt relief," writes W. V. Harner, Montpelier, Ind. When you have a cold give this remedy a trial and see for yourself what a splendid medicine it is. Obtainable everywhere. Adv. d&w

Winners in Depart. of Education

(Continued from Page One.)

more interest in the fair and should have had far better representation in the "Hall of Fame."

Expressions heard from teachers who were present and who had inspected the two rural exhibits, were along the same lines of the sentiments expressed by Mr. Shepard.

It seemed the consensus of opinion of all interested in the educational advancement of Grady county that special inducements would be offered the children of the rural schools to make extensive showings at the next annual county fair.

The work of L. C. Barton, a 16-year-old boy, a student in the Varden high school, is worthy of special mention. It consists of motorcycle, drawn from the machine itself, perfect in every detail worked out free from error, every little valve and eccentric and screw part shown with a care and attention which marks the boy a perfect draftsman, a copy of photograph of a 6-cylinder 43 horse power automobile and two excellent drawings of the Varden high school building—one in perspective and worked out with the architect's love of detail and adherence to exact lines and perfect balance, the other a pen and ink drawing of the school house as it appears to the eye. In this last the same love of detail is manifested and the same care has been taken. Every stone is brought out, every little feature is shown in bold relief.

In the exhibit of another school is an amusing and at the same time a most attractive piece of handwork. It is a silhouette which pictures the fabled story of the cow jumping over the moon. The cat is there playing the fiddle as the good, old Mother Goose story tells us only casts may play the fiddle, the dog is there with his features wrinkled and contorted with mirth as he gazes upon the attractive sight of the cow leaping over the moon. And the moon, fair mistress of the stars, is also there, there with an expression of surprised anxiety upon her face as she witnesses the gay and festive sports of the dog, the cat and the cow, carried on to the tune of the noiseless silhouetted fiddle.

AGED CHICKASHA MAN

DIES AT MASONIC HOME.

J. A. Dolson, for many years a well known harness maker in Chickasha, passed away at an advanced age yesterday at the Masonic home near El Reno, where he went a month ago. Funeral services were held this afternoon and the body was interred at El Reno. W. M. Elliott, secretary of the local Masonic lodge, sent the following message to the secretary of the El Reno lodge: "We regret the untimely death of Bro. Dolson and are sending in behalf of Chickasha lodge No. 24 a floral offering to be placed on his grave."

Despondency Due to Indigestion.

"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and despondent, I began taking Chamberlain's Tablets," writes Mrs. Geo. Hon. Macdon, N. Y. "This medicine proved to be the very thing I needed, as one day's treatment relieved me greatly. I used two bottles of Chamberlain's Tablets and they rid me of this trouble." Obtainable everywhere. Adv. d&w

Banks Do Differ

The impression is common that all banks are just alike, perfunctorily taking in and paying out money and hustling each patron on to wait on the next.

Banks differ as stores do. The Chickasha National Bank, officers and employees, seek to give this institution an atmosphere of its own which assures each patron that his interests are held at heart and that his welfare is the bank's special concern.
